All Additional Work Requested then performed is to be priced at Cost⁺ Pricing
Costs of Materials + Cost of Labor.
Additional work is: all work that is **NOT**: STANDARD, or, Covered on Atlas Shed Product Price Sheet.
An estimate will be provided before the start of such.

ALL ATLAS SHEDS include paint of the siding with the customer providing the paint. Either from what's left after house was painted, or \$125 for top grade Sherwin Williams.

Trims are white unless specified different. If different from siding paint color, add \$375.

Some Atlas Sheds include double doors and this is reflected in/on price sheet.

1 of/, and Custom⁺ Atlas Sheds: have costs unable to be included in the initial Product Price format.
Those costs include consultations, designs, unknowable extra work, and decisions left open.

The standard formula, to legitimately cover those costs, is add 10% to the cost of a Standard Shed

Take Away:
Modifications to: Standard Model Atlas Shed Features ie: Doors, Wall Heights, Internet, and Product Price Descriptions, create the Category of

Custom⁺ Atlas Shed

CONSULTATIONS: Neither Thomas Hechmer, or Atlas Shed, have any record of claiming to provide free consultations.

This Notification: Every Atlas Shed Purchase includes 1 At Home Confirmation of Location, Answer additional questions, and Sign Up with a Delivery Date and 10% Deposit.

or: Consultations cost a minimum of \$175. Projected question and answer and multiple designs are individually priced.

Quality, Low Maintenance, and Support are not bragging, sales tactics, or opinions, when they are a fact.

With the \$50 being the new \$20 dollar bill we sincerely hope all enjoy the increased standard.

Atlas Shed remains the best value for the dollar.
